The Uganda Teachers Dialogue is an initiative of the Uganda Moral Re-armament Chapter that was started in October 2010. It is affiliated to the International Initiatives of Change Association (iofc) - www.iofc.org which was founded in 1938 by an American Philosopher Frank Buchman. It is an NGO in a special consultative status with Economic and Social Council at the UN (ECOSOC) and has participatory status at the council of Europe in Strasbourg. It is active in inter religious relations and in the struggle for the rights of indigenous people.

Uganda Teachers Dialogue has organized the third International Teachers Dialogue Summit to take place from the 27th April - 1st May 2013 in Lira Town - Northern Uganda on the Southern Sudan Highway 380Kms from Kampala Town. You are cordially invited.

Distinguished Teachers from post-secondary institutions, secondary and primary schools from Uganda and others from the Great Lake Region of East Africa - Southern Sudan, Rwanda, Democratic Republic of Congo, Kenya, Burundi, Tanzania, United States of America, United Kingdom & Japan have been invited and will share their experiences.

Education Officers, Local Leaders, scholars involved in developing education systems and corporate companies with products and services that help education institutions, students and teachers have been contacted and will have the opportunity to have face to face interaction with the participants in need of their services and products.

LOCATION OF VENUE

The Dialogue will take place in Lira Town, Northern Uganda well known for its agricultural products along the Nile Valley and Lake Kyoga
